Why sell with Najib

Our promise to you...

- We have fanatical customer care. We strongly believe that the interest of the client always comes first.
- We take care of the thinking for you! We will inundate you with information so that you always know what is happening with the sale of your home.
- We listen. At the same time, we give you our best professional guidance and advice. We will tell you what you need to hear, not what you want to hear.
- We think big. We take the guesswork out of the price as we are firmly convinced that presenting your property with a guide price will maximise the value - not just sell - your property.
- We are one. The whole team works together on the sale of your home so that everything is the best that it can be.
- We love to over-deliver! We will do everything we can to serve you in the sale of your home.
- We are your perpetual agent. We develop long-lasting relationships with our clients and continue to keep in contact, well after your property is sold.

It's great to know...

- We have the technology and systems in place to ensure we follow up with all the potential buyers for your property.
- We have an in-house photographer and videographer, a digital marketing expert, along with a copywriter, who pay the closest attention to detail when it comes to marketing your property.
- We have an interior designer at your service to help you get your property ready for sale, and an on-to-it maintenance "SWAT" team to help out with those odd jobs.

OUR GUARANTEE:

We are not the cheapest agency, and we don't try to be. However, if you are not 100% satisfied with the service you receive, and we cannot rectify it, then YOU choose the commission to pay!
